PACEM IN TERRIS AT 60: Is the Catholic Church Heeding the Call to Gospel Nonviolence?

The groundbreaking vision of *Pacem in Terris*, that “love not fear must dominate the relationships between individuals and between nations,” set the Catholic Church on a path in pursuit of peace built on the principles of truth, justice, charity and freedom.

Join **Pax Christi International** as we explore how that path is leading to Gospel nonviolence at the center of Church teaching on war and peace and the important role that the Church can play in facilitating a global shift from a logic of violence to a logic of nonviolence.
