**Love

and Peace
Be with us all**

May charity and nonviolence govern how we treat each other as individuals, within society and in international life.

In the most local and ordinary situations and in the international order, may nonviolence become the hallmark of our decisions, our relationships and our actions, and indeed of political life in all its forms.

Nonviolence is a way of life for courageous people.

- It is active nonviolent resistance to evil.
- It is assertive spiritually, mentally, and emotionally.
- It is always persuading the opponent of the justice of your cause.

- Nonviolence Seeks to Defeat Injustice, or Evil, Not People.
- Nonviolence recognizes that evildoers are also victims and are not evil people.
- The nonviolent resister seeks to defeat evil not persons victimized by evil.
