

Pax Christi Asia Pacific Invites you to

A Prayer Vigil for the People of Myanmar

Sunday July 27th 2025, 7.00 pm AEST

Myanmar faces unending military violence, ethnic conflict, dire poverty, and social and economic upheaval. A devastating earthquake earlier this year has only deepened the suffering.

Cardinal Charles Bo, Archbishop of Yangon, who will join the service, writes:

“That my beautiful country with its diverse peoples will emerge from this current nightmare stronger, more peaceful, more united in its diversity, into a new dawn of freedom, democracy and true peace and hope. Please pray for that vision – for the words of Isaiah – to become a reality for Myanmar.”
